Madras April 4 1871

To
The Hon R. S. Ellis C B
Chief Secretary to Govt.
Fort St George

Dear Sir

I have to thank you for your note just
to hand and beg you to convey to the Hon
my respectful thanks for the offer of the post of
Secretary Inspector.

I had hoped that with the offer would
have been given a salary of Rs 700 per mensem
or anything less than that sum will not be
equivalent to the salary I am now enjoying. In
my circumstances we know to the Hon
and of the Govt I think that the Govt is
sufficient remuneration for the services I may
be able to render it is not for me to decline. I
have therefore begged that you will inform
the Hon of my acceptance of the post.

I must however I shall not be consider
ed promising if I expressly & unequivocally ask
for a recommendation of the salary. Under the
proposed Act the Engineer will receive Rs
700 per mensem, and my position on the

but would be an inferior that I could hardly hope
 to carry that weight which is now on my shoulders
 necessary for the due carrying out of sanitary ad-
 ministration at this city. I am also the trustee of the
 Sanitary Commission and would require some salary
 that would be expensive to the Government. I am also
 also known that I am now enjoying the best of
 health & that the Sanitary Department will
 require further outlay, it will be seen that as I
 I shall suffer a direct loss of my salary from the
 Government & possibly more. I have served
 in my present post for eight years & might fairly
 fairly expect some allowance looking to the fact
 that I have been on foot for so long a time & the
 protection of my superiors. I wish to be
 and then to devote into a much more useful
 some office in the city to be held for many
 years many things have been expected, and I
 for that have been some mistake as to my
 Government allowances. I shall submit it to a committee
 You will kindly represent these facts to the
 Board and submit my respectful request that
 salary may be paid at the highest possible rate
 permit me to conclude in conclusion that you give
 me the great favor of your support in this matter.

Yours faithfully

Charles E. Green
