Proceedings of the Madras Government, Public Department,

14th April 1871.

No 11. Read the following letter from the Master Attendant, Madras, to the
Chief Secretary to Government, Fort Saint George, dated Madras, 6th
April 1871, No. 2303. —

Administrative Department.

I have the honour, in adherence to the Orders of Government marginally
noted, to state that the ship *Holspur* (Agents, Messrs.
Hunt and Company) has tendered to take the distressed
Europeans detained in the masts of London at
(£100 three hundred Rupees per head, no accommodation
being provided them in the troop deck, and no provisions allowed them.

2. As the Strangers Home is quite full at present, and as there appears to be
some difficulty in procuring passages for passengers of this description, the *Cawater*
and *Swallow* having both declined to take them, I recommend Messrs. Hunt and
Company's tender be accepted.

ORDER THEREON, 14th April 1871, No. 472.

The Government authorize the acceptance of the tender of Messrs. Hunt and
Company for the conveyance of six distressed Europeans to England at £30 per
head.

(True Extract.)

Chief Secretary.

- Secretary of the Committee for the Management of the Government Workhouse.
