This municipality can ~~not~~
afford to pay R. 600. The
whole current income is R.
8859, of which R. 6750 is
derived from tolls, a source
which will fall off immensely
on the opening of the Balle
railway. The house rating
is however very low, only
5 per cent. an average
annual rental of R. 12.8.
The proportional tax is not
imposed. The house tax at
7 1/2 per cent would yield an
^{excess} of half the proposed
change.

It is proposed to charge the
town R. 132. But it is not
a municipality.

The rate is only 5 per cent.

they are always complaining
of insufficiency of funds.
Chittoor There is no municipi-
ality in Chittoor. The Rs 5000
must be charged to the fund.

Tilling. The change of the 2246 is heavy, but the Commission area well off. The income is Rs 21,000, of which 10,000 is paid. The tender tax is levied. The house gross rent is 10,000 (current rental Rs 7.5) & the market, which the Municipality is building at cost of Rs 10,000, will bring in sufficient revenue to pay the new change.

The Bazaar can't pay so large
a sum. Their income in 1885

is not supported by the
portion of it is thrown on
local funds. The income
of the municipality (with
any trades tax) is Rs 21,000
& the town can pay for
the dispensary if it is thought
necessary.

The changes proposed to
be assigned to the towns
are not beyond their
means.

Medical changes in
Municipalities.

My dear Ellis.

Any morning you please
because - will drink tea for the
Dr. Ken Sarg. Question.

I think we should con-
tinue our payments for the present
& perhaps a few richly here.

Palliput - a cigarette & K. Sarg.
from Enryl.

In some cases the hospital
lab: is changed to medical establish-
ment. I am not sure whether
this comes under Provincial or not.

If it does, I would not continue
the charge - if it does not, ~~then~~
he need not meddle. In two cases
the charge is against Whice - I would
discontinue that - as Whice is a
Municipal - I do not see why Whice
should pay more than any other
part Est.

In Madras I think we
may show on the Municipal City
Native Dispensary. Veterinary Dispensary
Triplicane Dr & Lock Hospital
Total Rs 57,904.

In the Dispensary re.

part Rs 30533 are set down for "European"
Medicine from
Medical Stores - If ~~this~~ this means
that part is likely than rates - &
if the cost is then charged to
"Municipal" then I would show
the expense also on the Municipal
Estimates -

Municipalities can
bear this in consideration
of the Police Relief - and
in Madras - Municipalities Local
Fund, will be available
for the purpose
