*Proceedings of the Madras Government, Public Department,
19th April 1871.*

No. 74. Read the following letter from the President of the Municipal Commissions in Malabar, to the Chief Secretary to Government, Fort Saint George, dated Calicut, 1st April 1871, No. 12 :—

From the Order of Government, dated 24th March 1871, No. 395, I inferred that Municipal Budgets might be postponed in anticipation of the new Act which it was supposed would come into force on the 1st April.

2. I observe, however, from the copy of the Act as passed, received yesterday, that Section 6 was finally altered in such a way as to prevent the Act from taking effect in any Municipality until the lapse of three months after a notification under Section 5.

3. Even if a notification were now published, the Act could not take effect till after the commencement of the second quarter.

4. I have the honour to request instructions as to when it is intended that the new Act should take effect.

5. It appears to me that, if my reading of the Act is correct, it will be best to postpone its introduction till the commencement of the second half-year, or 1st October.

No. 75. ORDER THEREON, 19th April 1871, No. 505.

The President of the Municipal Commissions in Malabar is referred to G. O., 31st March 1871, No. 436.

2. Section 6 of Act III. of 1871 refers to towns for the first time defined and declared to be united for the purposes of Act III. of 1871, and does not apply to towns already defined under Act X. of 1865.

3. The immediate extension of Act III. of 1871 to such towns, and the consequent substitution of its provisions in every respect for those of Act X. of 1865, is clearly contemplated by Sections 3 and 7.
