With the foregoing
letter the Magistrate of Coim-
batore submits estimates
for the 5 months period
Novr. 1870 to March 1871 including
of receipts and disbursements
of the proposed Municipality
of Coimbatore.

There is little pro-
bability at present that the
new towns ordinance which
will be in force on the 1st
Novr. 1872 and the Govt. accordingly
resolves to dispose of the
present application under
Act

Act 8 of 1865. The annexed
Certifications declaring the
Act in force from 1st Nov?
next, specifying the bounda-
ries of the town, and appoint-
ing the Commissioners, will
be published in the *Scott's*,
St. George's Gazette. The
Superintendent's Statement
of the strength and cost of
the Municipal Police is not
before Court and they are
therefore not in a position
to comply with Section 26
of the Act. Mr. Sullivan
will forward the Statement
at an early date.

2. It is not clear
whether the Estimates sub-
mitted have been framed
with reference to Act 8 of 1865
or to the proposed new Mun-
icipal Law. They contain no
provision for State Contribu-
tion and in Statement
of

13

of receipts there is an item,
"Fees on marriages," which is
a form of taxation not con-
templated under the existing
law. Under the impression
that it may be intended
to refer to fees on temporary
erections in the streets on
the occasion of marriage
ceremonies the Court have
retained it under the
head License fees; but
remind the Magistrate
that for the levy of fees
on such erections it is
necessary that a bye-law
should be passed. It is
not stated whether the
sum Rs. 514 entered on
account of Police, is the
whole or only a portion
of the Police cost.

3. It is proposed
to ^{impose} enforce all the taxes
authorized by the Act,
which

which for the half year
are expected to produce
Rs 2182. With the State
Contribution and receipts
from other sources, the
income of the Commission
for the half year will
be Rs 5427-8. The esti-
mated yield of some of
the taxes appear small,
but it is possible, that
at the commencement, they
will not produce more.

14. The proposed ex-
penditure is as follows.
The cost of the Slaughter
house which it is proposed
to construct, being entered
under Section 29.

New Works	Rs 280
Repairs	231
Conservancy	840
Police	514
Establishment	317
Repairs other than above	2182
Specified in Section 25	100
