G.O. No.	533	Press Mis.
Dated	25-4-	1871

Not to be folded or roughly handled

Read the following papers:—

No. 93. From the President of the Municipal Commissions, Tinnevely, to the Chief Secretary to Government, Fort Saint George, dated Tinnevely, 20th March 1871, No. 114.

The Municipality of Tuticorin offer 60 Rupees per mensem towards the pay of an effective Apothecary, and, as 100 Rupees per mensem, the salary of the late Dr. Reed, who was in medical charge of Tuticorin, has lapsed on the death of that gentleman, I have the honour to request that an Apothecary may be appointed to take charge of the Dispensary, and to furnish medical aid to the Government employés at Tuticorin.

2. The Dresser attached to the Head Assistant would then be available for duty elsewhere.

Referred to the Inspector-General, for report as to the grade of Medical Subordinate who should be appointed at Tuticorin.

FORT SAINT GEORGE,
27th March 1871.

(Signed) R. S. ELLIS,
Chief Secretary.

No. 94. From the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 31st March 1871, No. 113.

In returning the letter marginally noted, referred under your docket memorandum of the 27th March, I have the honour to state, for the information of Government, that I think it desirable that an experienced Apothecary or Assistant Apothecary should be posted to Tuticorin to take charge of the Civil Dispensary and afford medical aid to the servants of Government in the station.

2. The place, as Government are aware, has, for some years, been occupied by an English private practitioner, and, as it is a sea-port of some importance and likely to become more so on the Railway being extended to it, it seems necessary to give the residents the benefit of the services of a superior Subordinate.

No. 95. ORDER THEREON, 25th April 1871, No. 533.

The Government approve of the proposal made by the Inspector-General, Indian Medical Department, regarding the grade of Medical Subordinate to be appointed to Tuticorin.

2. The salary of the Medical Subordinate in charge of the Dispensary will, under the new law and recent orders, be charged to Municipal Funds; and, before directing the entertainment of an Assistant Apothecary, the Government desire to be informed whether the Commissioners are willing to pay the whole of his salary. An Assistant Apothecary of more than five years' standing draws Rupees 100, and one of less service Rupees 75 per mensem.
