Mr Mackintosh has
just been home for money
to pay me some. I have
no money to give him & I
don't know what we can
afford to spend in reward
He has to Humphreys
has counter signed Mackin.

Koch's cooly bills & have
paid accordingly. Now I
am told he is going to refuse
being ordered not to have
any thing to do with the
planting. I don't know
any thing about cooly rates
or how to test their work
& haven't time to potter
about the compound.

Look at a little a-
nomalous that the
supervision of the work

shd be imposed on the Board
as a Board, without their
being told what to super-
vise or spend? We are
in this position that
we cannot prevent mis-
takes & that if they occur
we may be held responsible

Wouldn't it be better
to put the whole thing in
the hands of an individual?
I am sure Robinson would
undertake the work if

he were asked to
