Read the following letter

of 9 May 1891. N. 609.

The Government
observes that in the replies to
G.O. 23rd August 1890 N. 140,
an opinion was expressed
by several Presidents of Municipalities and by the Com.
missioners of several Municipal Towns in favor of the
appointment of Vice Presidents
being determined by election
by the Commissioners.

2. His Excellency the
Governor in Council will be
prepared to authorize the
Commissioners of any town
under the proviso to Section 10

Act III of 1871, to elect their Vice President; on receiving an intimation of their wish to do so; and resolves accordingly to call upon all Presidents of Municipal Commissions to report without delay whether ^{the majority} the Commission of any of the Municipal towns in their Districts desire the authorization of Government for the election.

3. The Presidents of Municipalities in several Districts have failed to send with the estimates which have been submitted to Government under G.O. 31 March 1871, No. 436, lists of persons to be appointed Commissioners under the new Act, though these were called for in that order. Those to whom this

remark

remark is applicable will at once ^{supply} repair the omission and where the Commission do not desire to elect a Vice President, the President will nominate persons to be appointed by Government.
