Proceedings of the Madras Government, Public Department,
15th May 1871.

No. 59. Read the following letter from the President of the Committee of the Government Workhouse, to the Acting Chief Secretary to Government, Fort Saint George, dated Madras, — April 1871:—

Adverting to an Order of Government, dated the 13th instant, No. 470, sanctioning a total charge of Rupees 19,488 for the maintenance and working of the Government Workhouse at Royapooram, I have the honour to point out that the Report of the Committee on which this Order was passed was not submitted in such a form as to enable the Government to prepare from it the usual form for submission to the Government of India, and consequently the List of Establishment in the Government Order remains incomplete. The Report of the Committee was intended for information, and contained only the specification of additions to the existing Establishment.

2. The correct Establishment List is as follows:—

	RS.
One Governor, at 100 Rs.	1,200
Two Peons, at 7 Rs. each	168
One Cook, at 10 Rs.	120
One Maty, at 8 Rs.	96
One Sweeper, at 6 Rs.	72
Diet	2,000
Miscellaneous Charges including Photography... ..	1,344
Passages	15,000
Total...	20,000

3. It must be remembered, however, that the principal item in this account, viz., Rupees 15,000 for passages, and the item of 2,000 Rupees estimated for diet, were calculated on the average number of inmates who have hitherto used the Home—an average which it was supposed would be lowered by the free operation of the deportation clauses. Owing, however, to the fact that those clauses were not put in force simultaneously in Bombay and Madras, a considerable number of men from Bombay at once came down to Madras, filling the Home to excess and increasing very largely the charges for diet and for passages.

4. This state of matters, it may be concluded, will not continue after the Bombay Government have commenced deporting the destitute Europeans assembled at that place, but it may be necessary later in the year to supplement the diet grant in consideration of these wholly exceptional circumstances.

5. The Committee have approved, after much consideration, the qualifications of Mr. Lichfield for the office of Governor, and beg to recommend his nomination.

No. 60. ORDER THEREON, 15th May 1871, No. 630.

His Excellency the Governor in Council approves the Revised Establishment* specified in paragraph 2 of the foregoing letter for the

* 1 Governor, at 100 Rs. ...	1,200	Government Workhouse at Madras, at a cost of Rupees
2 Peons, at 7 Rs. each ...	168	(1,656) one thousand six hundred and fifty-six per
1 Cook, at 10 Rs. ...	120	annum.
1 Maty, at 8 Rs. ...	96	
1 Sweeper, at 6 Rs. ...	72

2. He also approves the Miscellaneous charges including photography being raised from Rupees 1,000 to Rupees (1,344) one thousand three hundred and forty-four.

The Asst Chief Secretary to Government,
Public Department

Sir,
Adverting to an Order of Government dated 13th instant No 470 sanctioning a total charge of Rs 19,488 for the maintenance and working of the Government Workhouse at Royapuram, I have the honor to point out that the report of the Committee on which this order was passed was not submitted in such a form as to enable the Government to prepare from it the usual form for submission to the Government of India, and consequently the list of Establishment in the Government Order remains incomplete. The report of the Committee was intended for information and contained only the specification of additions to the existing Establishment.

The correct Establishment list is

It must be remembered however that the
principal item in this account viz Rs 15,000
for passages and the item of 2000 Rupees estimated
for diet were calculated on the average number
of inmates who have hitherto used the Home,
an average which it was supposed would be

clauses. Owing however to the fact that those
clauses were not put in force simultaneously
in Bombay and Madras a considerable number
of men from Bombay at once came down to

very

very largely the charges for diet and for passages.

This state of matters it may be concluded will
not continue after the Bombay Government
have commenced deporting the destitute Europeans
assembled at that place, but it may be necessary
later, in the year to supplement the diet grant
in consideration of these wholly exceptional
circumstances.

The Committee have approved after much
consideration the qualifications of Mr

My dear Middleton

You have altered the

estimate the price of

Establisment from

the figure given in my

estimate 1658 to

488. My figures

include the present

establishment. Which

is of course provided

The Lord's name
 be praised. I have read
 your letter & the papers
 for 2 years past
 and have been
 much interested
 in the work
 of the Society
 in the
 Kingdom of
 the South.

I hope the application
 has not gone?
 Also we have been

that the money
 involved in the
 garden work
 is required
 I have not of the list
 of establishment with me
 but it is ^{as follows} I think
 as follows: -

Gov^r - 100
 - 2 persons - 14
 - Cook at 10 - 10
 - Praty - 8
 - Sweeper - 6
138
 Annually 1656 - / not 8

no garden

It is an adoption paper
it will provide for everything
