Proceedings of the Madras Government, Public Department,

18th January 1871.

No. 64. Read the following letter from the Acting President of the Municipal Commission, Mayaveram, to the Chief Secretary to Government, Fort Saint George, dated Vallam, 21st December 1870, No. 207:—

I have the honour to forward a copy of an application by the Municipal Commission of Mayaveram, for the construction of a Police station for the accommodation of the Town Police. A plan and estimate for the proposed work are also enclosed.

2. As the want of suitable accommodation is much felt by the Police of Mayaveram, I beg that Government will be pleased to accord their early sanction to the application.

From the Vice-President of the Municipal Commission, Mayaveram, to the President of the Municipal Commission, Mayaveram, dated Mayaveram, 8th December 1870, No. 205.

In forwarding a letter from the Superintendent of Police, Tanjore, regarding the erection of a station-house for the accommodation of the Town Police Force, I have the honour to state that the Commissioners have considered the subject and concur with Captain Court in the expediency of carrying out his suggestion.

2. I have, therefore, enclosed a plan and estimate for the building, and request that you will, without delay, submit the same for the sanction of Government. The plan is the same as received from the Police Superintendent, being the Government standard plan of a second-class Police station. The estimate amounts to Rupees 1,700, which is below the expectation of Captain Court.

3. The necessity for making this application to Government now is as follows:—The Government in their Order, No. 1027, dated 22nd July 1869, sanctioned the disbursement of Rupees 3,465, for the purpose of building Police Lines. These Lines were not built last year for the reasons stated by the Commissioners in their annual report. The sum provided was found to be altogether inadequate for the purpose, and the Commissioners declined to commence a work which they would be unable to complete. Out of this allotment only Rupees 80 have been spent, the remainder is Rupees 3,386.

4. The Inspector-General of Police, in his late tour of inspection through Tanjore, recorded the following remark respecting the Mayaveram Town Police station:—

"*Mayaveram Town Police.*—The station-house is in a very unfit place. Hot and close in the extreme. Lock-up shocking."

5. The Commissioners are aware that the severity of this remark is not without grounds, but they are unable to provide a better building unless one be specially constructed for the purpose. The Police Lines are not urgently required in Mayaveram as Captain Court admits.

6. I, therefore, request the early sanction of Government to the erection of the town station-house on the plan submitted, the necessary funds being provided out of the allotment originally made for the Police Lines.

No. 65. ORDER THEREON, 18th January 1871, No. 68.

The estimates of the Mayaveram Municipality for 1870-71 do not contain any allotment for Police Lines. That referred to in paragraph 3 of the Vice-President's letter related to 1869-70, and the unexpended portion lapsed at the close of that year.

2. If, however, funds are available in the current year, the Government sanction the proposed expenditure of Rupees (1,700) one thousand and seven hundred on a Police station.
