Proceedings of the Madras Government, Public Department,

25th May 1871.

No. 101-A. Read the following Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor in Council, Fort St. George, dated India Office, London, 4th April 1871, No. 3 (Sanitary) :—

The Despatch of your Excellency in Council, dated 26th August, No. 21 of 1870, transmitting copy of a letter from Deputy Inspector-General Balfour, together with five copies of the Second Edition of his "Statistics of Cholera," has been considered by me in Council.

2. In reply, I forward, herewith, copy of a communication from the War Office Sanitary Commission, containing its remarks on Dr. Balfour's statistics.

Letter, Army Sanitary Commission,
22nd February 1871.

From the Secretary to the Army Sanitary Commission, to the Under Secretary of State for India, dated War Office, 22nd February 1871.

The Army Sanitary Commission having had under consideration Dr. Edward Balfour's statistics of Cholera, which, with other papers, accompanied Mr. Merivale's letter of the 30th December last, I am directed to acquaint you, for the information of the Secretary of State for India in Council, that the Commission consider this work to be a valuable contribution to the history of Cholera in India.

2. In the present state of the statistical inquiry much yet remains to be ascertained before the laws of Cholera are known; but Dr. Balfour's book contains facts which will be of use when the results of the Cholera Inquiry now going on in India are arrived at.

No. 101-B. ORDER THEREON, 25th May 1871, No. 696.

Communicated to the Inspector-General, Indian Medical Department, and to the Sanitary Commissioner.

(True Extract.)

Acting Chief Secretary.

To the Inspector-General, Indian Medical Department,
,, Sanitary Commissioner.

Exd. J. Wright.

Army Sanitary Commission
War Office
22^d February 1871 -

Sir,
The Army Sanitary Commission
having had under consideration Dr.
Edward Balfour's statistics of Cholera
which with other papers accompanied
Dr. Merivale's letter of the 20th Nov. last.
I am directed to acquaint you for
the information of the Secretary of
State for India in Council that the
Commission consider this work to
be a valuable contribution to the history
of cholera in India.

In the present state of the
statistical enquiry, much yet remains
to be ascertained before the laws of
cholera are known but Dr. Balfour's
book contains facts which will be of
use when the results of the cholera
enquiry.

The Under Secretary
of State for India
