Proceedings of the Madras Government, Public Department
18th January 1871.

No. 66. Read the following letter from the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 5th January 1871, No. 4 :—

I have the honour, with reference to G. O., No. 817, of 30th June 1870, respectfully to solicit that Government may be pleased to sanction the staff salary of Rupees 30 per mensem to the Assistant Apothecary in charge of the Civil Dispensary, Muddenpillay, as the Accountant-General has refused to pass the allowance.

2. The Government, in their letter, No. 1275, of 11th September 1869, to the Government of India, recommended that the pay of the Assistant Apothecary should be Rupees 130 a month, which includes the staff allowance, but as this amount was not specified in the final ruling, the charge has been objected to. Under these circumstances, and as the claim is in accordance with precedent and existing rules, I trust the application may receive the favourable consideration of Government.

No. 67. ORDER THEREON, 18th January 1871, No. 69.

The staff salary of 30 Rupees per mensem to the Assistant Apothecary in charge of the Dispensary at Muddenpillay, Cuddapah District, is sanctioned.

2. A copy of the letter, dated 11th September 1869, from the Madras Government to the Government of India, will be communicated to the Accountant-General as explaining the sanction accorded by the Government of India in their Resolution dated 4th June 1870, No. 880.
