Proceedings of the Madras Government, Public Department,
29th May 1871.

Read the following papers :—

No. 127. From the Officiating President of the Municipal Commission, Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 17th May 1871, S. No. 595.

I have the honour to request that the sanction of Government may be given to the removal, from the General Market in Popham's Broadway, of the Police Force now employed there.

2. The Commissioners have had the sole control of the Market since the 1st May 1865, and are responsible for its condition and the maintenance of order ; but, in accordance with the arrangement sanctioned by Government in G. O., dated 29th March 1865, No. 482, they have had to work it by means of a Police Establishment appointed by, and under the control of, the Commissioner of Police, the cost of which is paid by the Municipality.

3. The Commissioners have, for a long time past, been of opinion that it would be to the advantage of the Municipality to put an end to this arrangement, and that the Market can be managed more efficiently and economically through an establishment of their own directly responsible to, and under the orders of, the President.

4. I have, therefore, the honour to request that the Right Honourable the Governor in Council will be pleased to direct that the Police Force now employed at the General Market be removed, and that the Market be placed entirely in Municipal charge.

5. I have been in communication with the Commissioner of Police on the subject, and have reason to believe that he is in favour of the change proposed by the Commissioners.

—

Referred to the Acting Commissioner of Police for report.

FORT ST. GEORGE,
18th May 1871.

Acting Chief Secretary.

No. 128. From the Acting Commissioner of Police, Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 23rd May 1871, No. 30.

With reference to your endorsement on the letter from the Acting President, Municipal Commission, dated 17th May 1871, I have the honour to report that I see no objection whatever to the removal of the Police from the Market in Popham's Broadway.

2. The establishment should be entirely under the control of the Municipal Commissioners, and the Police should have nothing to do with the Market except to put a stop to any breaches of the peace or disorders not within control of the Municipal peons.

3. For this purpose, the present strength of the Divisional Police will, I believe, suffice ; if extra labour to any extent is imposed on them by being frequently called in to suppress disturbances, or take persons into custody, it may be necessary to request the Municipality to pay for two extra Constables, to be attached to the nearest Police Station.

Proceedings of the Madras Government, Public Department,

29th May 1871.

4. I am prepared to withdraw the police officers as soon as the Municipality are ready to replace them by their own establishment.

5. When the new Market is built it will be necessary to have a small Police Station attached—the pay of the Constables to be a charge on Municipal funds.

No. 129. ORDER THEREON, 29th May 1871, No. 721.

The Government sanction the withdrawal of the Police from the General Market in Popham's Broadway so soon as the Municipal Establishment is ready to replace them.
