Proceedings of the Madras Government, Public Department,
2nd June 1871.

No. 10. Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to the Secretary to Government, Revenue Department, Fort St. George, dated Calicut, 24th April 1871, No. 30 :—

I have the honour to inform you that the building at present used as a Civil Hospital and Dispensary, at Palghaut, is quite unsuited for its purpose. It appears to have been originally constructed to serve as a salt godown, and it has been repeatedly condemned as a Dispensary and Hospital.

2. It is proposed to erect a new building. A sum of nearly 2,000 Rupees has already been raised by local subscription. A further sum of about Rupees 1,500 is expected from the same source, and the Municipal Commissioners have agreed to contribute Rupees 500 from their funds with the sanction of Government.

3. A plot of ground adjoining the present premises, containing 4,242 square yards, has also been given *gratis* by one Kapadath Shamoo Menon, a well-to-do native of the place.

4. The Committee for the Management of the Dispensary has now applied to me for the transfer to them of the present building with its out-houses, to be disposed of by them as they may deem proper, as well as a piece of Government waste adjoining the premises on the east and measuring 2,376 square yards.

5. I enclose a sketch showing the relative position of the existing building and the ground applied for, and beg that early orders may be passed on the subject.

6. The piece of ground is now in the possession of Government.

No. 11. ORDER THEREON, 2nd June 1871, No. 755.

His Excellency the Governor in Council sanctions the transfer, to the Committee of Management of the Palghaut Dispensary, of the building and out-houses, at present used as a Civil Hospital and Dispensary at that station, on the understanding that the Committee will erect a new building instead.

2. The plan of the new building should be submitted for the approval of Government.

3. Orders will be issued in the Revenue Department respecting the Government waste land, measuring 2,376 square yards, applied for in paragraph 4 of Mr. Macgregor's letter.

(True Extract.)

Acting Chief Secretary.

To the Revenue Department, with the sketch.

„ Collector of Malabar.
