Proceedings of the Madras Government, Public Department
19th January 1871.

No. 74. Read the following petition from HAJEE CAWDER HOOSSAIN KHAN, Vakeel of the inhabitants of Madras and a resident at Mecca, to the Chief Secretary to Government, Fort Saint George, dated Madras, 13th December 1870 :—

I, Hajee Cawder Hoossain Khan, Vakeel of the inhabitants of Madras and a resident of Mecca, respectfully beg to bring to your kind notice that there is but one hospital in that station, and the doctor attached thereto is a Turk, who does not understand any other language but Arabic.

2. The evil arising from this, when pilgrims from Madras, Calcutta, Bombay, Rajahmundry, Vizagapatam, Negapatam, Neilgherries, Nagore, &c., resort to that hospital, is that they do not receive the attention they generally require, owing to the doctor not being in a position to understand their respective wants, the consequence of which is that they fall victims to the sickness they contract. I beg, therefore, your Honour will be pleased to adopt such measures as you may deem fit for the prevention of such a calamity, or appoint an Indian doctor, as an assistant under the doctor, who is conversant with Persian, Hindustani, Tamil, and Telugu, in order to impart in Arabic to the Turk Doctor.

3. For which act of kindness I do not doubt that the several classes of people who come to Mecca will be most grateful to you.

No. 75. ORDER THEREON, 19th January 1871, No. 77.

Pe is informed that his request has been brought to the notice of the Secretary of State.
