Proceedings of the Madras Government, Public Department,

7th June 1871.

No. 48. Read the following letter from the Chief Secretary, Melbourne, Victoria, to the Chief Secretary to Government, Fort St. George, dated Melbourne, 22nd April 1871, No. 1329 :—

In reference to your letter of the 8th March, again urging upon the Government of this Colony to take measures to prevent persons from being sent from this Colony to Madras in the employment of shippers of horses without provision being made for their return to the Colony, I have the honour to inform you that it is not in the power of the Government to interfere with arrangements made between exporters of horses and the men who go in charge of them. The transaction is one strictly private between the parties, and the Government has no power to meddle with it. It further appears to this Government that, if the Government of Madras thinks fit to send persons who are in a destitute condition back to the particular country to which they want to go, it is solely an act of liberality on their part.

No. 49. ORDER THEREON, 7th June 1871, No. 787.

Communicated to the President of the Committee for the Management of the Government Workhouse, Madras, with reference to his letter dated the 28th February last.
