Proceedings of the Madras Government, Public Department,

8th June 1871.

No. 52. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Tanjore, 26th May 1871, No. 195:—

I have the honour to inform you that I observe, from the *Fort St. George Gazette*, that I have been nominated Vice-President of the Tanjore Circle of the Local Fund Board, and to request that this appointment may be cancelled, as my frequent absences from Tanjore in the discharge of my duties as Superintending Engineer of the 6th Division will not render it possible for me to undertake the duties of the post. This may be judged from the fact that early this year I was absent from Tanjore for eleven weeks. I expect to be away nearly the whole of June and a part of July, and in August and September I purpose, if possible, to make a tour through the more remote parts of the Trichinopoly District. It will thus be apparent that I shall not be able to perform the duties of Vice-President, and, even if nominated a member of the Board, my presence at the meetings will be so uncertain and fitful that, for all practical purposes, I shall be of little or no use. I beg, therefore, that I may not be nominated even as a member of any of the Local Fund Boards.
