 The President

 Sir, Kinnab.

In accordance with the Proceeding
 of Government dated 31 March 1871 No. 436
 I have the honor to forward the Estimate
 of receipts and disbursements framed
 with reference to the provisions of Act III
 of 1871 for 11 months from the 1 May 1871
 to 31 March 1872 for the Municipality
 of Brimburn.

2 I have estimated the receipts
 accruing from the current taxation
 for the 11 months at Rs. 1817-8-0
 To this has been added Rs. 137-8-0
 probable receipts from fines &c
 Rs. 1600 balance from the previous year
 and Rs. 147. 15. 7 Government contribu-
 tion at 25 per cent on the expenditure
 of the last quarter ending 30 April 1871

8764
 11/10/71

The total estimated receipts amount to Rs. 6202.15.7.

3 The total expenditure is estimated at Rs. 5511.9.7 of this Rs. 137.14.11 is reserved on account of Police for 1870.71.

4 The estimate for Tolls is framed on the basis of the existing rates.

5 With regards to new charges imposed on Municipalities under the new law.

(I) The Municipality is charged on account of medical attendance with the sum of Rs. 200 according to the rate fixed in the schedule appended to Proceedings of Government 31 March 1871.

(II) Rs. 400 has been set apart towards the establishment of schools.

On this point I may perhaps remark, though it will I hope be the subject of future correspondence, that the inhabitants of Lumbee are exceedingly anxious to have a good school for higher education established in Lumbee.

They are I believe ready to raise public subscriptions to a considerable amount for this purpose.

15/

(III) Rs. 200 has been put down towards the construction of a new hospital in Lumbee. This building is now nearly completed. It will cost a little over Rs. 1000. of which about Rs. 800 are in hand.

6 As regards the registration of Births and Death it appears to the Commissioners that one Registrar will suffice for the small Town of Lumbee. I propose to appoint Jāhangir Khan the Municipal Manager Registrar with an additional person to assist him in the work.

7 I forward a complete copy of all the Bye-Laws now in force in the Town of Lumbee together with a statement showing the number of persons, prosecuted and convicted under each bye-law in 1870.71.
