*Proceedings of the Madras Government, Public Department,
16th June 1871.*

No. 138. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 27th May 1871, No. 704:—

Extract from paragraph 6 of a Separate Revenue Despatch from the Right Honourable the Secretary of State for India, to the address of the Government of India, Financial Department, No. 3, dated 16th February 1871.

Even preliminary pecuniary arrangements with persons in England concerning contemplated works or purchases of stores should not be made from India. Such a course of proceeding interferes with the action of the Department in this country, which has numerous precedents connected with this office to guide it, and also has the opportunity of ascertaining the usual practice of the other Departments of Government as to the remuneration of patentees; and it is obviously very desirable that all the branches of Government should act upon an uniform principle in this respect.

Ordered that a copy of the above extract be forwarded to the Foreign, Public Works, and Military Departments, and to the several Local Governments and Administrations, to the Director-General of the Post Office of India, and to the Mint Master, Calcutta, for information and guidance.

(Signed) J. WESTLAND,
Under Secy. to the Govt. of India.

No. 139. ORDER THEREON, 16th June 1871, No. 861.

Ordered that copies of the foregoing extract from a Despatch from the Secretary of State be furnished to the several Departments of the Secretariat, and that the extract be published in the *Fort St. George Gazette* for general information and guidance.
