*Proceedings of the Madras Government, Public Department,
17th June 1871.*

No. 149. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 10th May 1871, No. 368 :—

Read again Financial Resolution, No. 2223, dated the 26th July 1870, inviting, through the Home Department, the Local Governments of Bengal, Madras, and Bombay, so to re-adjust the scale of fees for the emigration of native labourers to English and French Colonies as to provide for all charges without reference to the effect upon emigration that may be caused by any increase in the fees that may be necessary for that purpose.

Read Office Memorandum from the Home Department, No. 2119, dated the 2nd instant, forwarding papers containing the views of the Local Governments concerned on the subject of the suggested re-adjustment of the scale of emigration fees.

RESOLUTION.—The Government of Bombay states that there has been no emigration from that Presidency during the past five years, but it concurs with the Supreme Government that the emigration service should be self-supporting, and that to secure this end there is no objection to increase the present fees.

2. The Government of Bengal is of opinion that the late increase of the emigration fees by fifty per cent. will, there seems no doubt, leave for the future an annual balance at the receipt side of the Emigration Fee Fund.

3. The Government of Madras propose that the British Consular Agent at Pondicherry be required to perform certain duties as Consul and Custom House Agent in addition to those of Protector of Emigrants, and that one-half of his salary and the cost of his establishment be charged to the French Emigration Fund, and the other half to Imperial Funds.

4. On the recommendation of the Home Department, the Governor-General in Council is pleased to sanction the proposal submitted by the Government of Madras.

ORDER.—Ordered that the foregoing Resolution be communicated to the Home Department, and the Accountant-General, Madras.
