Proceedings of the Madras Government, Public Department,
21st June 1871.

No. 190. Read the following letter from the President of the Municipal Commission, Bellary, to the Chief Secretary to Government, Fort St. George, dated Bellary, 14th June 1871, No. 51:—

Under the rules lately enforced as to the payment of rent by private persons when they occupy buildings, the property of Government, the Executive Engineer in charge of Bellary has called upon the Municipal Commissioners to pay a rent of Rupees 18 per mensem for the old guard-room near the southern gate of the Fort used by them as an office.

2. This building was granted to them by General McLeod, in August 1867, as is evident by extracts from the minute-book of that year, herewith forwarded, and no rent has been demanded from that time till May last. No assessment has been received from Government on account of the building, and the repairs have been carried out by them.

3. The Commissioners have now determined to purchase a building, which happens to be available, for an office. They, therefore, request that, till they vacate the guard-room, they may be permitted to hold it on the same terms as those hitherto existed.

4. I have the honour to recommend this request for the favourable consideration of Government.

No. 191. ORDER THEREON, 21st June 1871, No. 896.

Pending the completion of the purchase of an office, which appears to be in hand, the Government authorize the Municipality to continue to use the building at present occupied by them free of rent.

will happen

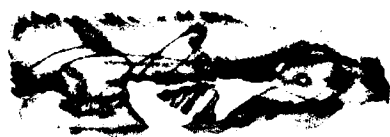

differs to be available for an office setting

more room, they may be permitted to hold
it on the same terms as those without in
questioned. I am &c.

I have the honor to recommend this
request for the favorable consideration
of the Government.
