28th June 1871.

No. 244. Read the following letter from the Magistrate of Coimbatore, to the Acting Chief Secretary to Government, Fort St. George, dated Coimbatore, 7th June 1871, No. 39 :—

In forwarding, for the information of Government, copy of notes by the Superintendent of Police, in reference to the case of a third-class passenger, who was found to be attacked with cholera at Pothanore, and was treated by the Railway Station Apothecary, but died before reaching Coimbatore, I have the honour to state that, in consulting Dr. Jones as to what provision was made at Trichinopoly for the treatment of native passengers similarly attacked, he informed me that a raised platform in an open spot near the station, covered with a leaf roof, and with bamboo side walls, was provided for such cases, and I have accordingly taken steps to have a shed of the sort erected in an open piece of ground, belonging to Government, near the Police Station, which I visited with Major Davies and found to be suitable for the purpose. I beg to enclose a plan and a statement of charges for the construction of the shed in question, and solicit the sanction of Government for the expenditure.

2. I beg to enclose, for the information of Government, extract from a letter I have addressed to the Sanitary Commissioner on this subject.

No. 245. ORDER THEREON, 28th June 1871, No. 937.
The charge of Rupees 90-6-4 is sanctioned.
