Proceedings of the Madras Government, Public Department.
6th July 1871.

Read the following papers :—

No. 48. From the President of the Municipal Commission, Calicut, to the Acting Chief Secretary to Government, Fort St. George, dated Palghat, 13th May 1871, No. 13 :—

With reference to G. O., dated 31st March 1871, No. 436, I have the honour to forward estimates of sums proposed to be raised and expended in the Calicut Municipality under Act III. of 1871, for the year ending 31st March 1872, together with a list of Commissioners for appointment.

2. Last year the rate on houses, buildings, and lands were collected only for eleven months of the year as it was then anticipated that the new Act would be brought into force on the 1st of April, but, as it came into force only on the 1st May, the Commissioners have to collect during the current year the tax for twelve months under that head. They propose to collect the tax for the past month along with that payable for the eleven months of the current year.

3. It is under contemplation to revise the establishment now entertained. The details are given in the estimate herewith submitted. It will be found that the excess over the charges of last year is not large considering the increase of work that will result from the operation of the new Act. It is hoped that this establishment will carry out also the registration of births and deaths without entailing any further charge on the Municipality. The system provides for dividing the Municipality into eight districts and appointing a menon or accountant for each. This officer will reside in his division and thus be thoroughly familiar with the locality, and the returns of vital statistics may thus be expected to be prepared with accuracy.

4. The Commissioners are of opinion that the vaccinator entertained by the Municipality should work under their immediate orders.

5. The bye-laws will be revised and submitted shortly.

6. I recommend that Mr. R. H. Pierce be re-appointed as Vice-President of the Municipality.

No. 49. From the President of the Municipal Commission, Malabar, to the Acting Chief Secretary to Government, Fort St. George, dated Calicut, 29th June 1871, No 20.

With reference to the Under Secretary's Memorandum, dated 27th June 1871,

Cannanore.

I have the honour to forward a revised list showing the official and non-official persons to be appointed Town Commissioners for the Municipalities noted.

2. In the list for Cannanore I have omitted three names, of which Captain Briggs, the Cantonment Magistrate and the Judge of the Court of Small Causes, is one.

3. It was only on perusal of an order relating to the Trichinopoly Municipality that I learned that Government had determined not to appoint such Officers as Commissioners.

No. 50. ORDER THEREON, 6th July 1871, No. 986.

The statement of receipts submitted with the foregoing letter contains some clerical errors. The arrears of house-tax would appear to be Rupees 1,900, not Rupees 2,900, and the sum of the current items as entered is Rupees 23,650, not Rupees 23,700. In the marginal abstract the deficiency of Rupees 50 has been made up by an addition to the house-tax, as it appears probable that it was in regard to this item that the

clerical error occurred, and as the demand which, as explained by the President will be for twelve months, is less by 987 Rupees than that of 1869-70. The total estimated receipts, as is plain from Statement B, is intended to be Rupees 28,000. No balance is shown in the statement. The Government regret to observe that the arrears outstanding are still considerable.

2. The statement of expenditure does not furnish sufficient detail. Nothing is said as to the mode in which the allotments for public works and education are to be expended. With reference to the President's explanation regarding the eight menons who are to be entertained for the registration of births and deaths, but are not to be employed solely on that duty, the Government have debited in the marginal abstract half the salaries to registration.
