* Read the following:—

From the Mauritius Emigration Agent, Madras, dated 1st December 1877, No. 486.

No. 23. ORDER THEREON, 10th December 1877, No. 1665.

The "Revised Rules for levy of fees by Customs and Marine Officials for working over-time and on Sundays and close holidays," is not applicable to the Establishment of the Protector of Emigrants, or to other Establishments, nor is the last Saturday in the month a close holiday. The holiday is given if the work of the department permits that being done, not otherwise.

2. The charge made by P. Kistnasawmy, Clerk in the Office of the Protector of Emigrants, is therefore unauthorized and must be withdrawn, and the money, if paid, refunded.

3. The Collector of Madras will adopt the letter form of communication in addressing Emigration Agents generally.

The Accountant General
Madras.

Sir,

I have the honor to forward the
Enclosed Copies of Correspondence, between
myself and the Protector of Emigrants, re-
-garding a charge, which his Clerk Pishwasamy
has made against the Mauritius Govern-
-ment, for being present on the 27th October
1877, at the place of Embarkation. That day,
being the last Saturday of the month, and
consequently a Government Holiday.

The claim made by Pishwasamy, is
under a notification of Government dated
28th August 1877 and published in the
Fort Saint George Gazette, of 11th September 1877.

My letter to the Protector, details my
reasons for objecting to the claim, and
Mr. Melville's Memo is in support to the
claim, in opposition to my reasons backed
as I said, they were by the auditor.

I saw Mr. Lyones on the subject.
personally and as his opinion was given
verbally and as he wished that the question
should be submitted to you officially
for your opinion, I beg to do so now accordingly.

The undersigned has the honor to state
that you appear to be right in objecting to
the claim preferred by the clerk in the Office
of the Protector of Emigrants, for a fee for
working on Saturday the 27th October 1877
but as it is not a case within the province
of this department to decide, it is suggested
that should the claim not be withdrawn
a reference be made by you to Government.

To The Protector of Emigrants
Madras

Sir I have the honor to forward the
Accountant General's original letter No.
9058 dated 27th November 1877, regarding
the claim made by Pishinabai for a fee
for working on Saturday the 24th Oct. 1877.

I beg you will be so good as to look at
the Revised Rules published in the
Saint George Gazette, dated 11th Sep. 1877,
and I am sure you will agree with the
Accountant General in the opinion that
I was right in objecting to the claim in
question.

I do not make payments of Government
money, except when the claim
is valid: otherwise I shall have to refund.

In the Notification of the Madras Govern-
ment the practice is to pay the

and the days that are considered as holidays,
are distinctly specified, and as I stated in
my letter to you No 454 dated 21st Nov 1874.
Taking these points into consideration
the man was not entitled to the extra
pay claimed.

I trust you will now see the propriety
of withdrawing the claim, as well as the
means in which that claim was made.
I consider the means discreditable not only
on account of the slip of paper on which
it was written, but on account of its un-
usual style.

Official Memorandum.

The Protector of Emigrants has the honour to point out to the Mauritius Emigration Agent, with reference to his letter No. 477, dated 29th Instant that the notification published in page 53 of Part I of the Port Saint George Gazette of the 11th September 1877, applies only to the Marine and Sea Customs Department, and does not apply to the Emigration Department, which like other Government Departments, is entitled to all holidays sanctioned by Govt. of which the last Saturday of the month is one. Under these circumstances the claim put forward by the Clerk of the Emigration Department for payment for working on a sanctioned holiday to suit the convenience of the Mauritius Emigration Agent is a just one and must be satisfied.

To The Honorable
The Chief Secretary to Government
Fort Saint George

Sir,

I have the honor to forward the
Enclosed Correspondence for the views of
S. B. on the Governor in Council, on the
points at issue between myself and the
Director of Emigrants.

I take the liberty of sending
the bill's original to S. B. in order
that His Grace may see the difference
between the first and second. It is of
the discourtesy of S. B. I have to
complain.

I have but one remark to add to
those already contained in the Correspondence.

In Part 2107 of 1877

and it is with reference to Mr. Melville's statement that his cl. K. was held for me on the 27th October 1877. I don't say "conscience".

I respectfully submit, that the Embarkation of Emigrants on the last Saturday in October took place on that day, with the consent of the Protector of Emigrants, because bad weather was anticipated on the following Monday. To my knowledge there was an official letter sent to the Protector of Emigrants on the Saturday in question, by the Commander of the Emigrant vessel, to expedite the delivery of the papers connected with the Emigrants being embarked, as he anticipated bad weather.

Under these circumstances, I respectfully submit, that the occasion was one of emergency and not

19
not of convenience.

In conclusion I beg to point out
that it is competent to the Protector of
Emigrants, to grant his clerk a holiday
on any other Sunday of the month,
instead of imposing a fee on the
Emigrants, when from any emergency,
the clerk has to work on the last Sunday
of the month. ~~that~~ ~~Mr. McNeill~~ has done
this I know for on Saturday 1st Dec
1877 in the Saturday paper to me once
in question, both Mr. McNeill, and his
clerk were not at office, as reported to
me by Mr. Watcham, the Manager of the
"Vanguard," who on going to the
Protectors Office on that day to get his
interpleates approved of by the Protector, found
both absent.
