GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

14th December 1878, No. 1809.

Records.

Read the following paper:—

✓ No. 60. From W. LOGAN, Esq., Collector of Malabar, to the Acting Chief Secretary to Government, dated Vytteri, 5th December 1878, No. 125.

I have the honor to report that the Indexers have, as already stated in my last letter, dated 14th October, No. 105, completed the indexing of the ancient records relating to Malabar and have been subsequently employed in copying portions of the records of which duplicate copies were to be retained.

2. On a careful examination of the records, I find that the work of the copyists would be simply endless if I were to select for copying all the papers which are likely to be required for reference in my office. In modification, therefore, of the suggestion made in the sixth paragraph of my letter, dated 5th June last, No. 53, to transmit the complete set of the records to Madras, I have the honor now to propose that the complete set may be retained here, and the incomplete duplicate set may be forwarded to Madras. At the same time, I would propose to transmit to Madras, along with the incomplete duplicate set of records, a complete set of the Indexes (consisting of sixteen file books) to the whole of the ancient records.

3. The fair copying of these Indexes will give occupation to the copyists for at least three months, and I beg therefore that the sanction for their retention, which will expire on 9th instant (G.O., Public Department, No. 934, of the 10th June 1878), may be extended for a further period of three months for this purpose.

No. 61. ORDER THEREON, 14th December 1878, No. 1809.

The Collector's proposals (paragraph 2) are approved.

2. The retention of the copyists for a further period of three months is sanctioned.
