Memo No 2413 Public

The Supt of Telegraphs Madras Division is requested to be good enough to arrange if he sees no objection for the immediate despatch of all Service messages transmitted from the Chief Secy's office even if the money accompanying the telegram is insufficient to cover the charge. Such extra money as may be due will be forwarded on receipt of an intimation that the amount tendered was not enough.

Sir,

With reference to your No. 2413 of the 18th instant I have the honor to inform you that there is a strict Departmental Rule in force that all charges for transmission must be prepaid and the stamps affixed to the messages and defaced before the messages are placed at the Instrument for despatch. The only exception to the above rule is in the case of Urgent State Messages accepted under Inland Rule 14 of the Indian Telegraph Guide. I have however issued instructions for messages of obvious urgency to be transmitted when the money accompany them is insufficient to cover the charge provided no difficulty is experienced in recovering the difference.

I have the honor to be
