From

W. R. Cornish Esq. F.R.C.S. C.B.

Surgeon General with the
Government of Madras.

To

The Chief Secretary to Government.
Public Department.

Sir.

I have the honor to bring to the
notice of Government that a com-
plaint has been made to me of
immoral conduct on the part of
a Civil Medical Pupil, named Shoo-
tealoo, attached temporarily to the
26th Regt N.I., for his probationary
course -

2. It seems that when at Quilon
with the Regiment he became ac-
quainted with an East Indian family
named Kelly, receiving instruction
in English from one of the brothers,
and while visiting the house became
familiar with a sister of the
complainant and got her in the
family way -

3.

3. It is suggested also that he administered medicines to the young woman, to effect an abortion, and a letter written by the medical pupil to the young woman seems to indicate that there was some foundation for the accusation.

The original letter has been forwarded to me for inspection, and it is certainly in the hand writing of the accused.

4. I do not think the retention of this youth as a stipendiary medical student can be any advantage to the service, and would therefore solicit the sanction of Government to his discharge.

I have the honor to be

Sir

Your most obed^t serv^t

Wm Lornum.

Surgeon General
with the fort of Elladras.

The papers connected with the case are enclosed for information.
