July 21st 1879

To The Honble R. Davidson. C. S. I.
Chief Secretary to Government.

Sir

I have the honour to inform you
that I have this afternoon received notice
of my discharge from the command of
the steamer on the Goduwarri, & conse-
quently, I suppose from the service of
the Government.

It is true that when my services were
engaged just two years ago, viz on the
25th July 1877 I was informed that my
employment would only be temporary,
but having been retained so long I had
been led to suppose that I should be
maintained permanently in the
appointment which had been held

by Capt. J. Barber during the previous
eighteen years, & on the strength of this had
made arrangements accordingly.

As it has pleased the Government to decide that
my services here are not required, I have the
honour to respectfully request that I may be given
an appointment in some other branch of the Public
Service, such as the Police or Salt Department.
Both of my grandfathers were Generals Commanding
Divisions of the Madras Army; my father the late
Captain G. L. James died on Field Service in the Burmah
War, & I myself have now served the same Government
for two years to the satisfaction of my Superior.
Trusting that you will be pleased to lay these claims
before His Excellency the Governor in Council.

~~your services and have the honour~~

Your most obedt servant
