FROM

GEO : HOPE ROSS.

Emigration Agent for Natal.

Madras.

TO

Mr. H. H. Hatchercock

SIR,

Under instructions from the Protector of Immigrants, Durban, Natal, R¹⁸⁸⁷, dated 21st. February 1877, and with the approval of the Surgeon General, Medical Inspector and Protector of Emigrants, Madras,

1. I hereby appoint you to take Medical charge of the Emigrants who are proceeding to Port Natal on board the *"Hans"*

2. Your particular attention is requested to the Rules contained in the accompanying Pamphlet, "Instructions to Medical Officers and Commanders of Vessels conveying Emigrants," which will explain the various duties you are required to perform in connection with the appointment. You will be particular that the Emigrants do not interchange or mislay their tin tickets; that they each carefully preserve his own tin ticket, and that they produce these tin tickets to the Protector of Immigrants at Natal, for examination, on their arrival in the colony. You will have frequent opportunities of seeing this rule carried out, especially when the Emigrants come up daily for their meals.

3. You are also required to keep a Journal or Diary (in duplicate) of the incidents of the voyage occurring each day; as for example, the hours at which the Medical Officer visited the 'tween decks; whether any complaints were made, and the nature of such complaints; what sort of weather; when the Emigrants bathed and washed their clothes; when the 'tween decks were disinfected or white washed; what punishments, if any, were inflicted; whether any births occurred &c. In fact, the Journal should be so complete, that from it the Protector should know all that occurred on board during the voyage. Both copies of the Journal, with the other papers, are to be delivered to the Protector of Immigrants at Durban, Natal.

4. You are required to give your professional attendance, while on board, to the Captain, Officers and Crew of the said Vessel, as well as to the Emigrants.

5. You will be entitled to receive from the Protector of Immigrants, Durban, Natal, on arrival there, a gratuity or capitation fee of (8 s.) *eight* shillings per head, for each Emigrant landed alive, provided the several duties are discharged satisfactorily.

6. You will further be entitled to a free Cabin-passage, diet at the Captain's Table as a first-class passenger and a return passage &c., in terms of Article 13 of the Charter Party.

7. Should the Protector of Immigrants at Natal find fault with you for any misconduct on board, either in your professional capacity, or in your general behaviour towards the Emigrants, it will be competent for either the Protector or the Natal Government to make such deductions from your gratuity or capitation fee as either of them may deem fit.

I have the honor to be.

SIR,

Your most obedient servant,
