2d. Member Board of Revenue

Sir,

As a good many appoint-
ments are dependent on whether
you retire or not, and as no
definite action can be taken
in regard to making them
until official intimation of
your intention to retire from
the 5th. proximo has been re-
ceived in confirmation of the
verbal announcement you
made to me to that effect,
I am to request that I may
be informed definitely whether
I am at liberty to treat
that verbal communication
as final.

My dear Daughter -

My note with an application for 6 months leave has no doubt reached you shortly after your note of the 14th was written - these taken together will sufficiently explain my reason for wishing that my verbal announcement of intention to retire may not be considered as final - Yr sincerely
