PUBLIC DEPARTMENT.

Changes in Districts.

No. 1212.

FROM

THE HON. R. DAVIDSON, C.S.I.,

Chief Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

Your letter of the 18th January 1879, No. 121, communicated the sanction of the Governor-General in Council to the creation of three new districts in the Madras Presidency conditionally on the prior decision of several complicated proposals made by the Government of India.

2. The considerations involved in the proposals to grade Collectors and Judges and to substitute Commissioners for the Board of Revenue are very numerous and complicated, and although this Government have given much attention to the matter, they are not at this moment prepared to submit their final views to the Governor-General in Council. But as no system of grading can affect either present salaries, or, for some time to come, modify the financial aspect of the question, the temporary postponement of decision will not, the Honorable the Governor in Council trusts, be objected to; and he therefore desires to urge on the Government of India the immediate adoption of the approved proposals for improving the condition of the Bellary District which most loudly calls for attention. The Madras Government earnestly trust that the Governor-General in Council will allow the remedy to be applied in this case without further delay.

3. As to the necessity for dividing the enormous ryotwari district of Bellary,*

* Area 11,182 sq. miles.

† Gooty ...	947	Area, sq. miles 5,145.
Tadpatri ...	578	
Anantapur ...	739	
Dharmavaram ...	1,098	
Penukonda ...	908	
Hindapur ...	424	
Madakasira ...	451	

there has for years been entire unanimity, and the accompanying proposition statement shows the cost of creating a new district, to consist of the marginally-noted† taluks aggregating an area equal to the average of the districts in the Presidency, with which also the remaining Bellary District will correspond.
