Sinnerelly Collectors Office.
No. 478 31st August 1881
From J. B. Pennington Esquire,
1213
Collector of,
To Sinnerelly.
The Honorable R. Davidson C.S. &
Chief Secretary to Government
Madras.

Sir,
I should be much obliged
if you would kindly arrange that
all heavy parcels of books, printed
forms and the like should be
addressed to the Deputy Collector
in charge of the Treasury instead
of to the Collector. The local
post is often seriously delayed
by having to carry such heavy
packages to my circuit Cutcherry,
and the burden need not be imposed,

as the Copies can very well be
distributed by the Treasury Deputy
Collector.

I have the honor to be,
Sir,
Your most Obedt Servt

J. B. Cunningham
