Office of Sanitary Commissioner
No 2179. Madras 5th September 1881
From,

The Sanitary Commissioner No 1860
for Madras. CURRENT

To,

The Chief Secretary to Government
Public Department.

Sir,

The cholera Map, Diagrams of Births and Deaths for 21 Districts and a plan of the Salem tatty latrine for my Annual Sanitary Report were printed in the Government Lithographic Department, and Bills of Acceptance amounting to Rupees 1197-8-4 were submitted to me. These Bills were forwarded to the Accountant General as "Work done by Government Factory" for adjustment of accounts with the Examiner of Public Works Accounts, as no cash payments were made by me. The Accountant General states that I should obtain the sanction of Government for the same as no provision was made for the charges in my Budget Estimate for 1881-82.

2. I have the honor to solicit that
Government

with reference to bills of 1881

Government may be pleased to sanction these charges. In doing so I have to explain that no provision was hitherto made for such charges in my Budget Estimates, and the charges in the present instance were not foreseen, when my Estimate for 1881-82 was prepared.

I may add that it is simply a book adjustment and no cash payment was made for the work.

I have the honor to be,

Sir,

Your Most Obedient Servant.
