The Director of Public Construction,

Madras.

To,

The Secretary to Government,

Fort Saint George.

Sir,

The purchase of an *Anglo-Indian* Press Almanac having been sanctioned by me for the use of the Inspector of Schools, B. Division, out of his contingent allowance, the Accountant General states that he cannot admit the charge without the sanction of Government as the Inspectors of Schools are not included in the list of officers to whom almanacs are to be supplied, under G. O. No. 4 dated 3rd January 1899. The charges for almanacs, when obtained by inspectors were hitherto met from the office allowance money which was held by the inspectors of schools, and no sanction of Government was accordingly sought.

As the supply of the almanacs to inspectors of schools is necessary, I have the honor to request that the names of these officials may be included in the list embodied
