The Government in regard to the
 transfer of the ¹² to that the
 transfer is accomplished
 for a prospective date and
 would suggest that the 1st October
 1881 would probably be a convenient
 time.

3) Government are aware that
 the ~~provisional~~ rules for the
 Subordinate Civil Medical Service
 embodied in G.O. No. 1001 of the
 7 May 1875, differ in some
 important respects from those
 subsequently promulgated by the
 Government of India in Resolution
 No. 476 of 31 August 1877 under
 the provisions of which volunteers
 of the Muzil Assistant grade
 are now to be permanently

3 transferred to the Civil Department.
 4 In G.O. No. 1001 of 7 May 1875
 para 12 it is stated the above
 scale of salaries is subject to the
 sanction of the Government of India
 and the Government of India in the
 Resolution above noted, has
 raised the scale of salaries of
 Muzil Assistants qualified in
 English to a higher level than that
 provided in G.O. No. 1001 of 7 May 1875
 as will be seen from the following
 table.

	Under orders of 1001 of 1875.	Resolution No. 476 of India 31 Aug 1877
Muzil Assistant 1 st Class 16 yrs & upwards	40	55
" 2 " 8 to 15 years	30	35
" 3 " 1 to 7 years	20	25

5 It will be seen therefore

that the salaries of Civil Hosp^l Assistants under the Government of India regulations are slightly lower than Military rates, but from 5 to 15 rupees per mensem higher than the rates sanctioned by the Madras Govt for young men forming the Civil Hospital Assistant grade. That the Government of India under the Madras rules allow "charge allowance" for these Hospital Assistants in independent duties, but by the former rules, charge allowances ^{are} only granted for specified appointments, whereas under the Madras rules, Charge allowance is granted to all Civil Hosp^l Assistants.

6. I infer that it is the intention of Government to accept the Govt of India rules of 1877 in their entirety, and in supersession of the provisional scale of salaries laid down in Madras G. O. N^o 1001 of 7 May 1875, and if this be the case it will be necessary to revise and classify the appointments to which a distinct "charge allowance" may be admissible.

7. I would propose however that in regard to all Civil Hosp^l Assistants entertained under G. O. N^o 1001 of 7 May 1875, the existing scale of pay and charge allowance should be continued pending the
