My dear Mr Davidson

The cases of the Members
of the Board and of
Messrs Bick & Widd all
of whom are acting in
appointments of which
he paid of the pay is
down by the absentees
are quite distinct

from the cases of the
Officers referred to in
G.O. of 20 Nov. 77 No 2733
The latter officers were
acting in vacancee of the
even in connection with
the absence on leave of
High Court Judge, who
I have did draw down
have a portion of the

May - The Law Officers
argued that as the Ag. High
Court Judge drew the full
pay of that appointment
the full pay of that app't
must be available; and
the pay of the Ag. Officers
substantive appointment
be set free - They argued
this was entirely wrong -
and have stated above
the High Court Judge on leave

and does a portion of the
pay, and the officer acting
for him was allowed to
draw full pay, and because
full pay was available
but because it is a rule
based on expediency, the
~~is~~ a Judge of the High Court
shall draw the full pay
the post whether he is a
permanent - or not.

As already reported, full
pay is available for all officers
acting in vacancies due to
death of the late Mr. G. O. S.

if God is pleased to ^{1255/3}
make the appointments
in question, sub pro
tem. appointments.
