To

The Chief Secretary to Government
Public Department
Fort Saint George.

Sir,

As I have failed to get in any of the Calcutta Bookellers shops a copy of Dr. Huet's Essay Table of Indian and other coins, I have the honour to request, that the Honorable the Governor in Council will be so good as to move the Government of India to furnish a copy, should a spare one be available in any of the Public Offices.

p The work was printed at Calcutta in 1868 by the Bengal Printing Company Limited, apparently for Government. I am sorry to give so much trouble but a copy of the tables would be of great service here in completing a revised catalogue of our coins on which I am now engaged.

J

I have the honor to c.

Dear Sir,

Your Most Obedient Servant,

Lieut. Col. Surgeon Major
