To

THE CHIEF SECRETARY TO GOVERNMENT,

DEPARTMENT.

SIR,

I have the honor to request that the permanent advance of Rs 20 authorized for the Chemical Examiner's department, may be increased to Rs one hundred.

The consequence of a representation made by the Chemical Examiner of the inconvenience to which his department is put by Civil Surgeons occasionally forwarding subserena for analysis through bearing, I issued a Circular to Civil Medical Officers desiring them to prepay postage from permanent advance to be obtained from Collectors of districts or from local Magistrates. In the accompanying letter the Accountant General objects to this course on technical grounds, and suggests that an increase of permanent advance be obtained for the Chemical Examiner, postage being invariably sent to him bearing.

I have the honor to be

Sir,

Your most Obedient Servant

W. R. Leachman

Treas. Off. DEPARTMENT

No. 244

Fort Saint George, Accountant-General's Office, 4 August 1881.

From

H. H. Logston Esq. ACCOUNTANT-GENERAL TO THE GOVERNMENT OF MADRAS,

To

THE Surgeon General with the Government of Madras.

SIR,

With reference to your Circular Inquest 113 dated the 20th November 1880, copy of which has been forwarded to me by the Treasury Officer Madras, I have the honor to point out to you that the charges for conveying to the Chemical Examiner, substances sent by Civil Surgeons for analysis for judicial purposes, have hitherto been borne either by Civil Surgeons or the Chemical Examiner, and have thus been debited against Provincial Revenues. Whereas if the procedure prescribed in your Circular be observed, the charges would fall upon the Imperial Revenues. As this alteration could not be allowed without the sanction of the Government of India, and as it is usual for the Department incurring the charge to bear it, I would suggest your cancelling your Circular and either directing Civil Surgeons to bear such charges or directing the charges of this kind to be sent at such substances sent bearing to the Chemical Examiner, who could apply to Government for

for an extra grant to meet the charge which
is apparently not provided for in his Budget.

I would remind you that Government
accounts are classified by the nature and
not by the ultimate objects of expenditure,
and the charge would therefore be
correctly a charge of the Chemical Examiner.

I have the honor to be,
Sir,
Your obedient servant

H. J. Hastings
Off. Account. Genl.

Referred to the Chemical
Examiner for an order as to
whether there is any objection
to the order No. 43 of 20 Nov 1881
being cancelled, and all sub-
stantiated charges being paid
thereon, or an adequate
provision being made for the
charge to be met by other
means.
