Memorandum

1504

From the Executive Engineer
No 466. d/ 8th October 1881.

I have the honor to request
that the Medical Dept^l may
be requested to provide the
Temporary Establishment ap-
plied for in my letter No 189
d/ 19th August 1881 at once.

It is a serious thing to
have a large body of working
people here and no medical
aid within 20 miles and
should an epidemic break
out the results would be dis-
astrous.

The provision of

Establishment has been referred
to the Chief Engr. P. H. D. by
by Memo 53 N. 1 of the 12 Sept 1881
but in the meantime it appears
to be of importance that med-
ical aid should be at hand
at the Sanguin Camp.

Op. 2469

Copy forwarded to the Public Deptⁿ
with request that the Engineer Genl
with the Govt of Madras may be
instructed to detail such me-
dical aid as may be required to
