His Excellency
The Governor
Melbourne

Your Excellency

You will have
perdon me writing to you
direct on the following matter
I do so only after having
written to the Immigration
Agent without result.

I am authorized by a gentleman
of position who are interested
in sugar planting etc in
Queensland to procure for
them some indentured laborers
under a number of the
terms.

The Queensland Government
will there be any place
by obstacles in the way and
I am wish to have written

your Government will allow
me to submit in the Tamil
Department of India for this
the coolies will have every
attention from me and
from the particular interest
they had in the welfare
of Tamil coolies. Labor has
been a plant in my eye
The number of laborers at
first required is 100, and
should there be any
more would be wanted and
the proposed undertaking for
your country it would be
highly beneficial to both
Ceylon and the colonies
in question the terms being
in detail. The coolies would
be forwarded from Colombo
for the Government of
Madras, and be accompanied
by a Ceylon planter of experience
I hope for your Government's
satisfaction a private
letter will be sent.

your Government may rest
assured that the coolies
would receive at my hands
every possible consideration
such being to the interest
of all parties 1516

My dear Campbell

Your good father, late
Treasurer of Ceylon, was an
old friend of my father's. They
having been together in the 18th & 19th

I learn much pleasure, both
for good father's sake and your
own in testifying to your high
character as a gentleman and
Colonist - and I sincerely hope
that - whenever you go your steady
and independent traits may stand
with them as a reward

Yours very sincerely
