PROCEEDINGS OF THE MADRAS GOVERNMENT.

Under date the

Read the following:—

Condensation in the Public Works Department
dated 20th November 1899.

Letter from the Public Works Department
No. 1474, dated 17th November 1899.

With reference to each order of the
Department No. 1344 directing the various
- divisions with the P.W.D. to the
- with estimates for which it is necessary to
give effect to the various provisions relating
to the various divisions. It is requested that
- that the various divisions be instructed
who has the honor much to be used of the
matters, may be directed to arrange to
meet and at the various divisions during the
cold weather.

2. There is no officer of the Public Works
Department now stationed in this district
above the rank of Assistant Engineer, and it
must seem that the experienced
- the various divisions be instructed
