Condorcement in the Public School, dated 20th Novem. 1844.

Under the order of the Board of Directors, dated 17th Novem. 1844.

With reference to the order of the 13th Sept. 1844 directing me to enquire into the conduct of the P. H. School, I have to submit estimates for what is necessary to give effect to his Excellency's orders relating to the Hampdenian School. I have to request that the Govt. will be pleased to order who has the honor much to be used of such matters, may be directed to arrange to meet me at Hampden, during the coming cold weather.

2. There is no officer of the Public Works now stationed in this district above the rank of Landward, and it would seem that the experienced person who has been in the past, is now in the present.
