GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

24th January 1881, No. 187 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 132. From Captain A. W. BAIRD, R.E., Assistant Superintendent, Survey of India, in charge Tidal and Levelling Operations, to the Secretary to Government, Public Works Department, Madras, dated Poona, 13th January 1881, No. L 14/49.

My levelling party at present working near Tadpatri and Cuddapah will probably reach Madras about the middle of March; I propose asking the Assistant in charge to connect a number of "pukka points" on public buildings, such as the base of the Light-house, the steps of the Senate-house, &c., and at each place the point connected will have the stone engraved thus $\odot$ I have honor to request permission to carry this out.
G.T.S.
B.M.

2. A list of the points, with full descriptions, will be sent after they have been connected, so that the bench-marks may be handed over for safe custody to the civil authorities, in the same way as is done for the bench-marks laid down along the main line of levels.

No. 133. ORDER THEREON, 24th January 1881, No. 187 W.

THIS letter will be communicated to the Superintendent of Works, Presidency, and to the several Departments of the Secretariat in view to Captain Baird being afforded every facility for carrying out the special work on which he is engaged.

(True Extract.)
