No. 462.

From the Assistant Collector
of Tirunelveli

To

The Collector of Tirunelveli.

Sir,

I request that you will kindly forward to Government this my application to be allowed to appear for the next high proficiency Tamil examination to be held. The same is the first week in January next and also for the same admissible under Section 76 Civil Service Code.

2. I request, as a favour, to be allowed to take my leave in continuation of the Christmas holidays.

3. The holidays end about the 4th January 1882 and I will probably, with your permission, take my vacation at Bangalore, and it will be a great additional expense and loss of time to travel down to Tinnevely and back.

4. I would most respectfully point out to Government that the present rules for examination are much less liberal than in the former editions of the Code.

5. Formerly a month's leave was granted to prepare for examination: under the present rules only joining time is given.

6. It cannot be the wish of Government to discourage all attempts of its officers

to make themselves acquainted with the languages of the District in which they work.
7. I believe I can fairly say the reward offered is not the inducement which would lead men appeal for this examination.

8. An examination gives a standard and a goal to which a student can set his head and he values it accordingly.

9. It would in my opinion be far better to reduce or abolish the reward than the leave which is most conducive for quiet study.

10. I see in the Gazette 1 month's leave has been granted to Mr. W. J. [unclear] Collector, Nellore.

11. If therefore it is admissible under Section 76 a I would request that I may be granted 1 month's examination leave from the 4th December.

12. Apologizing for what may

appear to be introducing irrelevant
