Rice

N^o 807

Cotacama 21 August 1880

From The Surgeon General
with the Government of Chiriquí

To The Chief Secretary
to Government.

Sir,

For many years past a medical subordinate has been maintained at Anjengo, though I am unable to ascertain why. The Local Fund Board of Colient report that they are unable to maintain a poor house and dispensary there, but it seems to me that if a dispensary is required, it should be supported out of district funds, unless there is any obligation on Government by treaty arrangements or otherwise to maintain a medical subordinate there.

2. I have the honor therefore to solicit that a reference may be made to the Collector of the district as to the necessity of Government continuing to maintain a medical subordinate at the station.

3. The Hospital Assistant employed there is ambitious of establishing a dispensary on a scale which seems to me beyond the requirements of the place, and as the whole charge of his salary and medicines falls on Provincial Funds, I would solicit instructions as to what is to be done.

I have the honor to be

Sir,

Your most obedient servant

W. H. H. H.

Surgeon General with the
Government of Chiriquí.

From
Mr. Walter Sayer
Acting Collector of Malabar

To the Hon. H. Harrison Esq.
Chief Secretary to Government
Calicut

In reply to Government endorsement in letter from the
Surgeon General dated 22nd August last No. 9 (enclosed returned)
I have the honor to state for the information of the Government
the Surgeon in Council that, so far as British interests
are concerned, a medical officer at Anjer is not required.

I have the honor to be
Sir
Yours most obedt servant

N. 10

Resident's Office
Cochin, 27. January 1876

From

A. Macgregor Esquire
Resident in Travancore & Cochin

To

The Honorable J. Davidson, C. S.
Chief Secretary to Government
Fort St. George

Sir,

With reference to your endorsement
dated 21. October 1875 N. 2044, calling for an
opinion as to the retention of a Medical
Subordinate at Angam, I have the honor
to inform you that I see no necessity for
the maintenance of the officer in question.

So far as Travancore subjects in
the adjoining parts are concerned their
wants are amply provided for by the
Travancore Government.

Looking over the records I am
unable to find that the British Govern-
ment entered into any engagement to
maintain a medical establishment though
as regards Pallipatt north of Cochin such
an undertaking does exist.

Mr. Ballard writing under date
1. January 1876 to the Surgeon General
India.

Indian Medical Department Fort St.
George stated that looking to the conditions
of the place he regarded the maintenance
of a Hospital at Amoy as quite uncalled
for, and I agree in this opinion.

I have the honor to be,

Sir,

Your most obedient servant

W. H. H. H.
Resident.
