CURRENT No. 2629.
1895

Sir With reference to para. 2 of G.O. No 1583 of 22nd Nov^r just received, I have the honour to state for the information of Government that, - after finishing some pressing work in the Telugu districts, - it is my intention to take up the systematic survey of the Architectural remains at Hampi and in its vicinity. The surveys of Conjiveram and Srirangam will also follow in due course. If Captain Cole, then, will state what plans or other drawings are required to enable him to make what suggestions to the curators of these temples he considers necessary for their conservation, the Archaeological Survey may be able to supply them at much less public expense, than they would cost if executed partly by his own Department, as he proposes. I have the honour to be
