I have the honour to report
that one Andinagan of Pannal
in Tirupundi Taluk discovered under
ground on the 23rd May 1880, 6
Copper idols valued at Rs. 30 while
excavating certain Maumut works to
a Pagoda in the village under the
orders of one Maria Muthia Thevar.
The fact having been brought
to the notice of the District Authorities,
a notification was issued under
Section I of the Indian Treasure
Trove Act II of 1878 and published
in the District, Port Saint George, &c.
Gazettes requiring all persons claiming
the

the whole or any portion of the Treasure
to appear before me on the 8th Instant.

2. In accordance therewith the
said Mania ~~Muthia~~ Thum ap-
peared before me and prayed that
the said idols may be made over
to him for the purpose of worshipping.

3. As there were no other claim-
ants I made a declaration under sec-
tion 9 of the Act that these idols are
ownerless.

4. But, as required in para-
graph I of the Rules for regulating
the proceedings under Section XVI of
the Act, I solicit the Orders of
Government as to whether it is necessary
to acquire the Treasure or any portion
thereof on behalf of Government.
