THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE CHIEF SECRETARY TO GOVERNMENT,

Marine Department.

SIR,

I have the honor to report for the information of Government that, after consultation with the Master Attendant, we have come to the conclusion that the recent addition of 4 oz of flour or biscuit, to the dietary of Native passengers (L. O. Public Deptt 27th May 1881) is apparently sufficient, no complaints having been received in regard to the present scale.

2 The scale is no doubt less liberal than that provided for Emigrants who proceed on voyages of long duration but, in a large number of cases native passengers find their own provisions, and as a rule voyages in Indian Seas are not of long duration.

I have the honor to be
Sir
Your Most Obedient Servant

W. R. Morrison
Surgeon General
