To. The Secretary to the Government of India
Public Works Department.

Dated Calcutta, 3rd December 1881.

I have the honor to annex a copy of a letter from the Chief Secretary to the Government of Madras enquiring whether it is probable that the distinction between Telegraph and Postal Stamps will be abolished as appears to have been decided upon in England.

2. So far as this Department is concerned there would be no objection to the adoption of forms of label for general use should the Government deem it advisable to carry out such a measure.
