Govt. of India Notification.

Pay and Allowances

Travelling

The 8th March 1877.

No: 1457. The Governor-General in Council is pleased to decide that when any public officer is compelled to leave a station where there is no Medical officer, on order to procure Medical advice, he may draw travelling allowance at the ordinary rate to and from the station where the nearest Civil Medical officer is located.

Bills for travelling allowance drawn under these orders must be countersigned by the Medical officer consulted, who must certify that the journey was, in his opinion, absolutely necessary.

Supervising officers must take care that no undue advantage is taken of this privilege. Halting allowance may not be drawn while the officer is at the Medical officers

officer's station, and if the
absence of the sick officer from
his station be prolonged, he
should be required to take leave
on Medical Certificate.

The Chief Secretary to
His Excellency the Governor of
Madras

Sir

I beg that you will kindly
place this letter before His Excellency the
Governor in Council, with a request that he
will be pleased to sanction my travelling
allowance and batta disallowed by the
Acting Assistant Surgeon of Madras, as
per his letters dated 21st June and 30th July
October 1880 and drawn under the following
circumstances.

In 1878 I was ordered by the
Adjutant General Indian Medical Department
to appear before a Medical Board. In
obedience to this order I proceeded to
Vizagapatam, and although I was con-
sidered fit for further service by the
board I was ordered to reside in my pa-
per for practice. Having been ordered
on duty before the Madras allowance
and batta, amounting to Rs. 40/ I had
hitherto done and allowed to the Assistant
Surgeon of Madras. This amount was paid
to me in September of that year and the
Acting Assistant Surgeon of Madras, now
after a lapse of 2 years, calls upon me
to refund the same and has deducted it out
of my small pension on the plea that the

same is inadmissible.

I respectfully beg to submit that I am entitled to draw the bounty in as much as my going to Vizagapatam was on duty and in obedience to the express orders of the Deputy Inspector General Indian Medical Department. I had hitherto drawn the allowance and had on several occasions when I proceeded to Burdampore and Calcutta on duty and which were well retracted and considered inadmissible.

I would further beg to say that the retraction of this bounty now out of my small pension of 145 Rupees will work a very great hardship on me and my family and I respectfully beg therefore that under the circumstances this authority in Council will be pleased to grant the allowance and order the refund of the bounty retracted.

I beg to remain
Sir

Your most obedient servant

ferring to me for report letter^x from Surgeon
